SUMMARY

Motivated and adaptable IT professional with a B.Tech degree from LAUTECH, specializing in Wordpress website design, graphics design and frontend development. Proficient in Wordpress design, React, TypeScript, JavaScript, and Tailwind CSS, with a strong ability to build responsive, user-friendly, and visually appealing web applications. Experienced in translating client needs into intuitive digital solutions that improve usability, engagement, and overall user experience. Adept at combining technical expertise and creative design to solve problems and deliver impactful results. Eager to contribute to dynamic projects, support organizational goals, and continuously grow as a technology professional.

EXPERIENCE

Frontend Developer(Intern)

April 2025 Till Date

Clywell Technologies(Remote).

- Developed and maintained responsive web interfaces using React, TypeScript, JavaScript, and Tailwind CSS, ensuring cross-browser compatibility and mobile optimization.
- Collaborated with UI/UX designers to translate wireframes and prototypes into functional, user-friendly web applications that improved user experience and engagement.
- Implemented reusable components and optimized frontend performance, reducing page load time and enhancing scalability.
- Worked in an Agile/Scrum environment, participating in daily stand-ups, code reviews, and sprint planning to deliver features on time.
- Contributed to projects that enhanced client digital presence, resulting in improved usability and client satisfaction.

Graphic Designer.

Dec. 2024- Jan. 2025

ABOF Pharmacy, Osogbo, Osun state.

- Delivered a seasonal greeting card reflecting the brand's core values of care, health, and community, strengthening customer and partner relationships during the festive season.
- Applied strong visual storytelling and brand-aligned design principles to create engaging graphics that enhanced brand recognition and loyalty.
- Collaborated with stakeholders to understand design requirements, ensuring alignment with organizational goals and audience expectations.
- Utilized design tools such as Canva to develop creative assets optimized for both print and digital channels.
- Produced high-quality designs within tight deadlines, demonstrating creativity, attention to detail, and adaptability.

Website Designer.**Jan. 2022-June 2022***Barachel Global Services*

- Designed and developed a Shopify-integrated and functional real estate website using WordPress, delivering a seamless user experience tailored to client requirements.
- Customized themes, plugins, and layouts to enhance website functionality, responsiveness, and visual appeal.
- Implemented property listing features, contact forms, and dynamic content to support client business operations and improve customer engagement.
- Optimized the website for performance, SEO, and mobile responsiveness, ensuring cross-device accessibility and faster load times.
- Delivered a professional, user-friendly solution that strengthened the client's online presence and digital branding.
